

mea elderflower
- botanical sparkling-

Naturally-fermented elderflower sparkling.

Pure, bone-dry elixir of elderflower:
Without additives.

Refreshing, with an exquisite finish.

Delicately graceful and elegant as a ballerina.

A blend of fresh grape must & extract of fresh Elderflower.

Don't think, just relax, drink and relish.

Hand-picked elderflower at the fullness of its blossoming.

Slowly dried to retain all the delicate essential oils.

Naturally fermented in bottle.

From a biodynamic extract of elderflower.

Natural sparkling and sulphur-free.
